MOUS SIGNING REMARKS

The signing of this MoU marks a significant milestone in our partnership and sets the stage for a promising collaboration ahead. We firmly believe that by joining hands and combining our expertise, we can make a positive impact in the area of research and innovation.
Prof. Dr. Dilip Kumar
M. (Natal Field Research Centre, Malaysia)

We are genuinely excited about the opportunities that this MoU presents, and we are committed to upholding the terms and principles outlined in the document. With your organization's support and cooperation, we are confident that we can achieve our shared objectives and address the challenges that lie ahead.
Prof. (Dr.) Venkat V.P.R.P
(Anu University)

Our team is eager to get started and begin working closely with the IPEM to implement the action plans and initiatives detailed in the MoU. We are confident that our combined efforts will lead to meaningful and mutually beneficial outcomes.
Mr. Nikhil Jain
(CII)

We are fully dedicated to making this collaboration a success. Open communication, transparency, and a spirit of partnership will be at the core of our interactions, ensuring that we maximize the potential of this alliance.
Mr. Sushil Aggarwal
(Auro India Limited)

I am delighted to extend my warmest congratulations and express my sincere gratitude to IPEM for successfully signing the Memorandum of Understanding (MoU) between our respective organizations.
Mr. Laksh Goel
(Assert IT Solutions)

The signing of this MoU marks a significant milestone in our partnership, solidifying our commitment to working together towards our shared goals. With this agreement in place, we are confident that we can leverage our collective strengths and expertise to achieve remarkable outcomes in the social welfare of society.
Dr. Ashutosh Sharma
(Rotary Club - Ghaziabad Greater)

We would like to express our appreciation for your invaluable contributions and collaboration throughout the negotiation and drafting process. Your organization's dedication and commitment have been instrumental in shaping this agreement, and we are excited about the possibilities that lie ahead.
Ms. Manika Kapoor
(Eco-Roots Foundation)

JOB AND INTERNSHIP FAIR @ IPEM

The Institute of Professional Excellence & Management (IPEM), Ghaziabad organized a Job & Internship Fair on 29th of April 2023 (Saturday). The purpose of conducting Job & Internship Fair was to showcase the prospective growth of the Educational and Industrial sector. It helped the candidates to explore different careers and attain professional development. This job fair was for all the graduates and postgraduates' students of all the departments of IPEM. The response of the students motivated the organizers as total 630 students registered online from 38 organizations for participation in the Job Fair. About 569 students participated in the Job Fair from various streams. More than 300 students have registered through on spot registration facility. To recruit these candidates' total 12 companies, 12 Schools and 5 Law Firms joined hands with the Job Fair team. All facilities were provided to the Industries/ School and law firm representatives for conducting their recruitment process. Both Internal and external Students from various institutes & colleges actively participated in the Job & Internship Fair. The process of recruitment was varying industries to industries; most of the representatives have followed all their process like written test, Group Discussion, Personal Interviews etc.

This event was a huge success which took a great initiative in bridging the gap between the employees and employers. Moreover, this will now be carried for the years to come.

ULLAS @ IPEM

The two-day Inter-Institutional Fest ULLAS 2023 was organized from 24 to 25 Feb 2023. It was a vibrant and engaging gathering that celebrated the spirit of learning, innovation, and personal growth. It serves as a platform for students to come together and exchange ideas, knowledge, and experiences. The event also featured competitions and challenges that encourage participants to showcase their skills and talents. Whether it was a business plan competition, a coding hackathon, or a cultural extravaganza, Ullas provided a platform for participants to demonstrate their abilities and win recognition for their achievements. Ullas provided a platform to BBA/BCA/LLB/B.Ed. students of PAN India, including cities like Noida, Meerut, Hapur, Bulandshahr, Delhi NCR to show their literary, technical, and Cultural talent in various activities like Debate Competition, Programming Competition Business Plan, Story of an Entrepreneur, Quiz, Badminton, Chess, Group Dance, Mr. & Ms. ULLAS 2023, etc. Around 50 college from different area had participated in this event, at last end of event was graced by musical evening, a celebrity singer "Rebecca".

CELEBRATIONS @ IPEM

Jashn-A-Holi, an exuberant celebration organized by IPEM (Institute of Professional Excellence and Management), was a vibrant and colourful event that commemorates the joyous festival of Holi. It is a time when students, faculty, and staff come together to embrace the spirit of unity, camaraderie, and festivity. The IPEM organized a Holi Celebration "Jashn-A-Holi" in the college auditorium on 4th March 2023. All department of the IPEM participated in different activities and were enthralled with the performances of faculty members. The main objective of this event was to create a healthy and festive environment among IPEM family. Jashn-A-Holi at IPEM is not only about the festivities but also promotes the values of unity and inclusivity. It brings together individuals from different backgrounds, cultures, and communities, fostering a sense of togetherness and harmony. The event encourages participants to embrace diversity and appreciate the richness of various traditions and customs.

Farewell @ IPEM Farewell Party (ADIEU) For B.Ed Session 2021-23

A Farewell party (ADIEU) was organized in CTE on 14th May 2023 for the students of B.Ed session 2021-23. Students enthused the event by presenting different types of fun games like paper dance, racket challenge; grab the bottle and duet dance. Ramp Walk was the highlight of the program. Students celebrated the day with full fervour. Different tags were awarded to the students. Tag of Best Personality awarded to Neha and Abhishek. Ms. Vaishnavi Sharma crowned as Ms. Farewell and Mr. Kulvinder Singh was Mr. Farewell. The event ended by capturing memories with photo sessions. At last, the auditorium was geared up with DJ filling high energies and immense pleasure among all, with the stamps of amazing memories and fun.

CLUBS @ IPEM

Environment Club

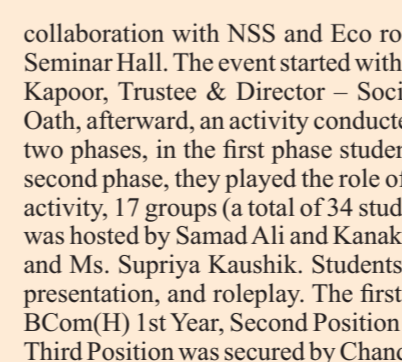

Environmental Science and Global Warming Quiz

The Environment Club organized "Quiz on Environmental Science and Global Warming" on 10th April 2023 in Computer Application lab in which a total of 28 participants participated from all departments. The purpose of this activity was to create awareness about global warming and save the environment.

Tree QR Tagging & Awareness Play

World Environment Day is celebrated as a global initiative to raise awareness about environmental issues and promote sustainable actions. To create awareness among students about the importance of environmental conservation, encourage sustainable practices, and develop a sense of responsibility among them towards the environment, IPEM, Ghaziabad celebrated "World Environment Day" in collaboration with NSS and Eco roots foundation on 5th June 2023, 12 pm onwards in Seminar Hall. The event started with an informative and interactive session by Ms. Monica Kapoor, Trustee & Director - Social Enterprise, Eco roots foundation followed by an Oath, afterward, an activity conducted by Environment Club and Communication Club, in two phases, in the first phase students created QR Code for the allotted trees, and in the second phase, they played the role of different trees which are in the IPEM campus. In this activity, 17 groups (a total of 34 students) from all the departments participated. The event was hosted by Samad Ali and Kanak BCom (H) 1st Year. The judges were Dr. Sweta Tyagi and Ms. Supriya Kaushik. Students were judged based on the quality of their QR code, presentation, and roleplay. The first position was secured by Sanya and Doli students of BCom(H) 1st Year, Second Position was secured by Khushi and Swati BCom(H) 1st Year, Third Position was secured by Chandni and Shivam Bharti B.Ed. 1st Year.

Entrepreneurship Club

Eco Haat

The Entrepreneurship Club organised "Eco Haat" on 22nd May 2023, in which total of 14 teams from all the departments participated. This activity helped students to develop the interest in entrepreneurship and provided them with enough exposure on how to develop and implement the business idea.

Guest Lecture @ IPEM

Principal Talk

The IPEM successfully organized principal talk for B.Ed. students on 17th January 2023. The main purpose of this event was to provide an opportunity to the budding teachers to interact with the school principal and develop an understanding about developing proper attitudes towards teaching and to create a positive learning environment throughout the school. The resource person of the event was Ms. Archana Shrivastava Principal, East Point School, Vasundhara enclave, New Delhi. She highlighted the role of a teacher. In her talk she tried to influence the pupil teacher to realize their potential as a teacher and inculcate those skill and value which are required to be a successful teacher like her. All the students enjoyed the activity and participated with full zeal & enthusiasm.

Guest Lecture on Fundamental Rights

The IPEM law academy organized an alumni guest lecture on "Fundamental Rights" on March 10, 2023, in the conference room. The guest speaker for the session was Ms Rashmi, a prominent advocate from district court, Delhi. A total number of 33 students from B.A.LL.B. and LL.B. courses participated in the guest lecture. The purpose of this lecture was to provide an in-depth analysis of the fundamental rights along with the latest landmark case laws to make the students aware of the individual rights common to liberal democracies viz., equality before the law, freedom of speech and

expression, freedom of association, freedom to practice religion and the rights to constitutional remedies for their protection by the means of writs.

Motivational Lecture on "Web Technologies"

A motivational lecture on "Web Technologies" was organized by the computer application department on 17th March 2023. The session was delivered by Mr. Sagar Gupta in the auditorium. The objective was to provide knowledge about how to link web pages to the server. 72 students were participated from BCA (1st, 3rd, and 5th Sem).

Guest Talk on "Emerging Technologies"

The department of computer applications organized a guest talk on "Emerging Technologies" on 6th April 2023 in auditorium. The resource person was Ms. Jyoti Teylor. A total of 110 students from BCA (1st, 3rd & 5th Sem) participated in the guest talk. The activity aimed to give new idea about modernization of industries and to improve quality of life in technology field.

Guest Lecture on HR Related Career Avenues and Relevant Skill Development

The management department organized, "A Corporate Guest Lecture on HR Related Career Avenues and Relevant Skill Development" for MBA students on 21st April 2023. This session was proved to be so helpful for the MBA students in learning hr skills and its importance in today's world.

Guest Talk On "Industry Specific Technology"

The department of computer applications organized a guest talk on "Industry Specific Technology" on 24th April 2023 in auditorium. The resource person was Mr. Tushar Patnaik, associate director at CDAC Noida & Mr. Vivek Arya, project manager at CDAC Noida. A total of 130 students from BCA (1st, 3rd & 5th Sem) participated in the guest talk. The main objective of the guest lecture was to guide and apprise the students regarding corporate requirement so far placement activities are concerned in today's environment and encourage the students in their analytical thinking.

Guest Lecture on Investigation and Trial Procedure Envisaged under the Code of Criminal Procedure 1973

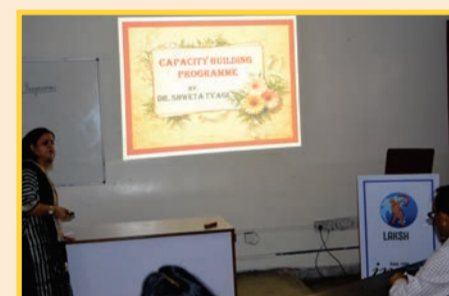

The IPEM Law Academy organized an Alumni Guest Lecture on "Investigation and Trial Procedure Envisaged under the Code of Criminal Procedure 1973" on May 13, 2023, in the Conference Room. The Purpose and Objective of the session was to pinpoint the significance of Criminal Procedure Code, 1973 and its application in respect of Investigation and Trial Procedures. The Resource Person for this Lecture was Adv Yash Kotak (Founder and head litigator at Kotak & Associates). It was conducted in a blended mode and received an appreciable participation of 95 students from B.A.LL.B. and LL.B. students who attended the session in both online and offline mode. The convener for this event was Ms. Priyanka Gupta, Assistant Professor, IPEM Law Academy.

Guest Lecture on World Environment Day

The Environment Club organized a Guest Lecture on World Environment Day on 5th June 2023 in hybrid mode. The purpose of the activity was to remind people to save nature and the earth by stopping their non-environmentally friendly activities and make the students aware about the environmental issues leading to the environment degradation. The event was organized in collaboration with Eco Roots Foundation, an organization working for the protection and upkeep of environment and fostering ecological concerns. A total of 60 students from all the departments of IPEM Group of institutions. The Resource Person of the event was Ms. Monika Kapoor (Trustee and Director of Eco Roots Foundation). The event was conveyed by Ms. Priyanka Gupta, Assistant Professor, IPEM Law Academy. This session inspired us to act locally and think globally, fostering a sense of responsibility for our planet, it was a great annual session focused on the issues of environment and trying to solve them completely. It also motivated students to make simple changes in their lifestyle to save earth and environment and to make them responsible citizen. The session was followed by an oath, afterwards an activity was conducted in which students from all the departments participated and played the role of different trees which are in IPEM Campus.

FDP @ IPEM

Professional Ethics of a Teacher and Constructive Approach in Teaching

"Capacity Building Programs" was conducted by IPEM from 11th to 16th March 2023. The main purpose of this program was to equip teachers in content and pedagogical competence such that they can seamlessly blend the same into classroom practice.

The presenters of the session were Dr. Nishi Sharma, Dr. Jaymala Singh, Dr. Shweta Tyagi, Dr. Manoj Chauhan and Ms. Viditi Rastogi. They were taken workshop on personality traits of a teacher, developing teaching competency, fender's interaction analysis, and professional ethics of a teacher and constructive approach in teaching. Live sessions were conducted through ppts, and this was an interactive session.

Legal Aid & Rights

The HRDC Cell of IPEM Ghaziabad has organized a workshop on "Capacity Building Programs" to create, enhance and develop constituents' capacity among the faculty members (teaching and non-teaching staff) and to provide a comprehensive theoretical and hands-on practice on workplace management, IT Techniques, Teaching Aptitude and Legal Aid & Rights. It was conducted from 11th March 2023 to 8th April 2023 for all departments at college campus.

Workplace Harmony & Ethics

From 18th March 2023 to 23rd March 2023, management department has taken the session. Our eminent faculty members have taken a commendable session. The faculty members, who imparted their valuable knowledge are as follows: Mr Shashank Chaudhary, Dean Academics & HOD of management, followed by Mr Tejinder Singh, Mr Amit Aggarwal, Dr Mona Sahay, and Ms Ritu Saxena. Through this Workshop all teaching and non-teaching staff get benefited and learnt how they can manage numerous factors within a work environment such as people, tasks, resources, and facilities to increase employee efficiency, productivity, and cost effectiveness.

Consumer Rights

The IPEM law academy conducted a faculty development program (FDP) on April 03, 2023, on "Consumer Rights" in the seminar hall, IPEM group of institutions from 2:00 pm to 4:00 pm as a part of the capacity building programs being held for effective intra-mural enhancement of overall faculty members. The speaker for this session was Ms. Manjusha K.V., assistant professor, at IPEM law academy. She covered the fundamental consumer rights of an individual in India, responsibility as a consumer, consumer redressal forum, and procedures for filing a complaint in a consumer court as a part of her address. Overall, the program was engaging and had an effective learning outcome.

INDUSTRIAL VISITS @ IPEM

Legal Aid Clinic

The IPEM law academy organized a legal aid clinic for the villagers of Sadallapur, Khora and Hussainpur on 12th April 2023. The legal aid clinic was organised to give counselling to the villagers and needy ones. The clinic was organised to give counselling to the villagers who have reported their cases during the legal aid camp held at Sadallapur, Khora and Hussainpur. Mr Jitendra Kr Gautam and Ms Sonam Singh, assistant professors, at IPEM law academy, were the convenors of this event. Mr Mukesh Saini who is an advocate and member of the district legal service authority, Ghaziabad, was the chief guest and he first delivered the lecture to the students about the law and its impact on society. He also focused on the career after law. The advocate underwent a total of 42 cases and gave detailed information about the procedure and remedies available to the victims, along with that total of 17 villagers were counselled. The legal aid clinic was necessary for the overall upkeep of the rights and duties of the individuals, and it is also essential to resolve their cases at an early stage so that justice can be done effectively.

Industrial Visit To "Coca-Cola Plant"

The management department organized "One-Day Industrial Visit at Coca-Cola Plant Greater Noida", on 28th April 2023 (Friday), from 9:00am- 3:00pm. The purpose and objectives to give the knowledge on latest technologies that are being used in corporate and the

multinational organization. To provide the real insights so that students apart from theoretical knowledge can gain a practical experience, the organising department -CRC department. The faculty coordinators were Ms. Surabhi Teotia and Mr. Jitendra Chaudhary. Total number of students were 42.

Industrial Visit To "Appware Technologies"

The computer application department of IPEM, Ghaziabad organized one day industrial visit to "Appware Technologies", Noida. There were a total 48 students from BCA/MCA. The main objective was student's exposure and knowledge on the technologies that are in trend or used in corporate.

Jail Visit at Dasna Jail

The IPEM Law Academy organised a Jail Visit to Dasna Jail and this visit was organised for the students of B.A.LL.B. II and IV Semesters by seeking the permission from the UP Prison Headquarter Lucknow to visit at Dasna Jail. In this event 20 students and 2 faculty members were allowed. The

students got an opportunity to interact with the inmates and were able to understand the Justice delivery system. The focus was to target the under-trial prisoners and identifying how much time they had already spent in the jail and the legal services that they had availed. The focus was also on taking note of the living conditions of the prisoners and issues such as over-crowding, diet of the prisoners, health and educational facilities provided to them, mullaqaat services etc. The convenors for this activity were Mr. Jitendra Kumar Gautam and Ms. Shilpi Tyagi, Assistant Professors, IPEM Law Academy. The volunteers got an opportunity to see the prison life first hand and understand the environment in a jail. In the whole process, they themselves got to know of many laws regarding the same and were able to enhance their own knowledge. Overall, it was great experience.

The M.O.U was related with Ariel University regarding faculty development programme, seminar, conferences, and workshops organized by IPEM, short term student exchange programme, participation of students in short term programme, industrial visit in the nearby organizations and writing and publication of joint research papers.

MOU with Nilai Field Research Centre

IPEM has signed an international MoU with Nilai Field Research Centre to promote the academic and research-based activities, including, seminar, guest lectures, research consortium on international platforms. Resource sharing and collaboration for further implementation of advancement will be carried out for the faculty and students.

SOCIAL MOU @ IPEM

MOU of IPEM With PinkiShe Foundation

A collaboration between PinkiShe foundation and IPEM held on 10th Dec 2022 for the organization and participation in activities, campaigns and programmes related to the active participation of students and the faculty of IPEM in the health and hygiene for women growth and development of society. The collaboration was based on the consciousness and awareness of students towards environmental cleanliness to the society and research projects on the environmental cross cutting issues where the students of IPEM was given the opportunity to contribute to research works. The collaboration was also held on the participation and organization of IPEM and PinkiShe foundation in Unnat Bharat Abhiyan activities, campaigns and programmes related to the growth and development of the society and rural areas.

MOU with Eco Roots Foundation

The IPEM Law Academy signed an MOU with Eco Roots Foundation on 17th April 2023 for organisation and participation in activities, campaigns and programmes related to environmental and ecosystem conservation in which students and faculty of IPEM law academy will actively participate. The eco roots foundation is a non-profit organisation working for environmental and ecosystem conservation with a focus on interacting with the younger generation to provoke both thought and action towards that. Under this MOU, the organization will be undertaking various research projects on the themes related to

social, cultural, and environmental cross-cutting issues where the students will be given the opportunity to contribute to research work. The major focus of the organisation would be to interact with the younger generation like school and college students along with corporate employees inciting thought and action towards the environmental and ecosystem conservation.

MOU with Tofee

The IPEM signed MOU with Tofee (The Organization for Enlightenment and Education) on 13th May 2023 at IPEM Ghaziabad for the organization, participation in activities campaigns and Programmes related to the growth and development of society.

MOU with Rotary Club

The IPEM has signed an MOU with the rotary club for social welfare activities and upliftment of the society. The objective of this agreement is to facilitate social benefits to society and help to overcome issues related to health and hygiene.

AWARDS @ IPEM

Another feather been added in the cap of IPEM, Ghaziabad and Law Academy as both were certified ISO 14001 & 50001 for energy and environment standards.

INFRASTRUCTURE @ IPEM

A good infrastructure plays a significant role in the holistic development of students. The state-of-the-art infrastructure of campus, well-equipped labs, and well-ventilated classrooms are indeed the most crucial elements which contribute towards the foundation of interactive learning environments.

A good campus infrastructure with all the state-of-the-art facilities is vital in students' academic live just like an experienced mentor and excellent teaching pedagogy. Keeping this in mind, the IPEM makes sure every student who choose IPEM to pursue their dreams and passion is exposed to.

- Naturalness (e.g., light and air quality)
- Stimulation (e.g., complexity, colour, multi-culture learning environment)
- Individualization (e.g., flexibility of the learning space)

This way, the IPEM takes pride in promoting effective learning environment inside the campus where students can spend their maximum time and concentrate toward their real productive transformation to become industry ready. Recognizing this essentiality, students at the IPEM, one among the most prestigious educational institution in Ghaziabad, have access to below mentioned cutting-edge amenities that confirm true-to-sense evolution at par. Let's look at the key highlights of state-of-the-art facilities and upgraded infrastructure available at IPEM campus:
