## FACULTY EXCURSION TRIP @ IPEM

**The Faculty Excursion Trip - Chandigarh**  
The Faculty Excursion Trip was organised by the IPEM to unfolded over three enriching days, spanning from September 22nd to 24th, 2023, in the vibrant city of Chandigarh, India. This meticulously planned excursion aimed at fostering the overall development of faculty members while enhancing peer relationships and interpersonal skills. Acknowledging that recreational activities extend beyond academic excellence, the trip sought to provide experiences contributing to both professional and personal growth. It presented a unique opportunity for faculty members to deepen their understanding of one another, thereby promoting improved workplace harmony.

The itinerary included two impactful sessions addressing crucial aspects of faculty well-being. In the workshop on workplace harmony, the primary objective was to cultivate motivation and harmony among the faculty, fostering a resilient corporate culture. The session, guided by the insightful Mr. Vivek Atray, a former IAS officer and distinguished professional, delved into strategies for increased productivity through activities such as physical exercises, reading, and ensuring adequate sleep. Key highlights involved a comprehensive discussion on the 7 Cs of motivation. In the subsequent workshop on stress management, conducted on September 23, 2023, the focus shifted to energy transformation and stress mitigation. The speaker illuminated techniques like breathing exercises to relax the mind and body, emphasizing the importance of avoiding negative energy. The session concluded with the speaker providing essential tools for managing negative energy, including cutting negativity, forgiveness, and blessings. The interactive session witnessed active participation from faculty members in a meaningful Q&A exchange with the external speaker.

Beyond the workshops, faculty members relished their stay at Homitel Sarovar Portico, indulging in an exotic buffet. The excursion also featured visits to iconic landmarks such as the Rock Garden, Sukhna Lake, and popular shopping destinations like the markets of sectors 17 and 22. The night of September 23rd was highlighted by a musical evening and a lavish dinner, creating delightful memories for all. As the trip concluded, the return journey became a time for reflection and shared appreciation of the cherished moments and experiences.

## Extravaganza - 2023

The "Extravaganza - 2023" a corporate alumni meet, unfolded on December 22nd organized with finesse by IPEM Group of Institutions. Esteemed leaders, Executive Director Prof (Dr.) Sugandha Goel, Director General, Col.(Dr.) A. S. Malhotra, and Dean Academics Mr. Shashank Chaudhary, spearheaded the event, setting the tone for a night of rekindled connections and shared experiences. The gathering drew together alumni from diverse disciplines, including MBA, MCA, BBA, BCA, LLB, and BA LLB. Distinguished alumni, now occupying influential positions in reputable industries, graced the occasion, alongside senior corporate officials. The event served as a poignant reunion, where heartfelt memories were shared, and expressions of gratitude towards IPEM for its pivotal role in shaping careers echoed through the venue. The alumni, representing a spectrum of professions, showcased the institution's impact on their professional journeys.

The evening commenced with a walk down memory lane, as alumni reminisced about cherished moments and formative experiences within the academic walls. This nostalgic start laid the foundation for a night of unity and celebration. The program seamlessly transitioned into engaging and entertaining activities, fostering an atmosphere of joy and shared laughter. Fun games allowed participants to unwind and connect on a personal level, transcending professional titles. The climax of the event was a communal dinner, providing an opportunity for networking and strengthening the bonds between the alumni and their alma mater. Industry veterans and corporate leaders took centre stage, sharing insights, anecdotes, and words of encouragement. Gratitude permeated the room as alumni thanked IPEM for the invaluable education, mentorship, and support that propelled them to success.

The Extravaganza - 2023 encapsulated the essence of shared memories, professional success, and the enduring impact of education at IPEM. It was not just an event; it was a testament to the lasting connections forged within IPEM community, where the past met the present, and the future was envisioned collectively.

### Client Counselling Activity

IPEM Law Academy organized a client counselling activity on 31st October 2023 to understand the importance of counselling in the legal profession. Counselling is all about providing clients with all the information they need related to their case or problem to make informed decisions. Counselling is one of the main functions of a lawyer. While client counselling might be perceived as a small part of a law professional's job, it is, in fact, the art and science of talking, understanding, observing, and eliciting the truth from potential clients. During counselling, lawyers typically exercise a significant amount of power in controlling the outcome, guiding clients through decisions and, at times, making decisions for them, rendering clients passive spectators. It had been observed that such activities must be conducted every year. The students participated in the activity with enthusiasm, and overall, the output was positive.

### Mehandi Competition

The Centre for Teacher Education organized a Mehandi Competition on 31st October 2023. A total of 15 students participated in this competition. The purpose of the activity was to enhance the creativity and imagination of students and boost their confidence in the field of Art. This activity also created and developed an interest in the cultural values of India. The participants created beautiful designs on hands by Mehendi and decorated the hands. The time limit of the Mehendi competition was one hour, but many students completed the hands before time. Dr. Manoj Chauhan and Dr. Shweta Tyagi (Assistant Professor) were the judges in the competition. Certificates were given to winners.

### Fresher's Party

The Management & Computer Application Department orchestrated an energetic Fresher's party on August 26, 2023, at the Laxmi Chand Auditorium. This event, designed to welcome new students, epitomized the department's dedication to creating an inclusive atmosphere. The festivities, marked by enthusiasm and camaraderie, set a positive tone for the upcoming academic year. Through this event, the department aimed to foster connections, ensuring a vibrant and supportive community for both new and returning students.

### Orientation Programme - CTE

The Centre for Teacher Education organized an Orientation Programme to welcome the B.Ed. II Year students for the academic session 2022-24. Professor Vivek, who was the chief guest at IIT, congratulated the IPEM institute for doing commendable work under the Unnat Bharat Abhiyan and said that it will continue to contribute in the same way. He appreciated IPEM Institute for making the villagers digitally literate. In this event, a Nukkad Natak was presented by the students, titled 'Badlaav,' in which the following topics were encouraged: Girl Child Education, Women Empowerment, Women Hygiene, and Adult Education.

**Awareness Rally and Street Play**

The Centre for Teacher Education organized Unnat Bharat Abhiyan on November 18, 2023, under the Government of India in the village Accheja. An educational awareness rally and street play were performed in the village Accheja to provide awareness on women's health and hygiene and education in rural areas. The rally was inaugurated by Accheja village head Mr. Virendra. On this occasion, the village head addressed the students, sharing their experiences, and wished them a bright future. The Pinkishe foundation NGO head Ms. Shalini Gupta provided knowledge of health and hygiene for women in the village. It was observed that due to a lack of education & health and hygiene, women were not aware of how to approach government and NGO facilities. The Abhiyaan was conducted successfully.

## PLACEMENTS @ IPEM

**About CRC**

The Corporate Resource Centre (CRC) provides placements and career opportunities to students by considering the changing needs of the market and keeping track of various organizations and trends in the job market. The CRC offers placement and internship assistance for the various programs offered by IPEM. The placements in the Computer Applications and Management department have been among the best in Noida and the Delhi/NCR region. Due to continuous and rigorous training at IPEM, students find suitable and valuable placements and internship opportunities with wider acceptability in the corporate world.

**Grooming Session**

The CRC Department of IPEM Group of Institutions organized a placement preparation activity, the Grooming Session, for MBA 3rd Semester students. The sessions were held every Wednesday from 12:30 to 1:30 pm at the CRC Conference Room on the First Floor. The Management Department, under the guidance of Ms. Sukriti Verma and Ms. Sakshi Pathak, successfully facilitated the activity for 10 MBA 2nd-year students. The event aimed to enhance students' skills and readiness for future placements.
